Prifathro/Headteacher: Mr Christopher Jones

4th November 2021

Dear parents/carers,

You would have read or heard that the First Minister, Mark Drakeford MS has changed the protocols in respect of self isolation following a positive test/or someone being symptomatic within your household.

The changes came into force from the 29th October. Below is the flow chart explaining the changes and how they affect our school community.

- If anyone in your household has COVID 19 symptoms the household must isolate until a negative test is returned.
- If anyone tests positive in your household all members of the household must isolate until they have been PCR tested and a negative result returned.

Please follow these rules so we can #KeepWalesSafe and #KeepLlanSafe.

Yours sincerely,

Mr Jones-Headteacher
