Sunday 23rd January

Dear Parents/Carers

There have been two further cases of COVID 19 confirmed over the weekend. The class concerned has already received their letter regarding the first case. Unfortunately, the second case is me.

For the last 3 months, I have undertaken LFTS daily and unfortunately, yesterday evening they showed a positive result despite showing negative in the morning.

Following Welsh Government Guidance, I will of course now be isolating and therefore not in school. Fortunately, we are very lucky to have Mrs Kehoe on hand who will now assume my on-site roles for this week while I work from home. Mrs Kehoe will be your first port of call and I will be in regular contact with her during my isolation period. I am also available on Seesaw.

Please can we continue to look for the signs of COVID 19. If you have received a letter strongly advising LFTs before school, please do them. I did not have any symptoms when I tested positive and by undertaking the tests, we can stop the spread.

Also, please do not send your child to school if they are unwell.

I look forward to returning to school when my isolation period ends.

Yours sincerely,

Ysgol Gynradd Llangynwyd Primary School
