Prifathro/Headteacher: Mr Christopher Jones

7th April 2022

Dear Parents,

General COVID 19 letter for the whole school

As you will know from recent school communication the rate of COVID 19 across the school is rising. This week alone we have had 9 cases.

Please can I ask you to :

✓ **Be alert for new symptoms.**

If you/your child start to feel unwell, no matter how mild the symptoms are, your child should stay away from school and take a LFT.

✓ **Keep washing hands regularly.**

This is still an important way to limit the spread of many infections, including COVID-19.

I am hoping that the Easter holidays will provide a natural firebreak. I will update my risk assessment and inform you of the procedures and our policy regarding COVID 19 for after the Easter holidays when I have received all updates from the Local Authority and Welsh Government.

This has been a very challenging term. I would like to share with you the number of COVID cases we have received since Christmas. From the first of January we have had 49 cases of COVID 19 across the school, affecting 10 staff and 39 children.

I must pay tribute to my staff who throughout all of this have continued to work so hard to ensure we keep everything in school as normal as possible. They continue to go over and above for the children and I am extremely proud to lead such a dedicated team.

I would like to also thank you, our school community for your support in keeping our school safe. You have kept your children home if unwell, followed advice with testing and ensured that they

attend school when well. Without your support, this already difficult situation we have found ourselves in, would have been even more precarious.

Please enjoy the Easter Holiday and please keep yourselves safe.

I will finish the term with my final newsletter tomorrow.

Thank you for your continued support.

With kind regards/ Cofion cynnes,

Christopher Jones
