

Meet Beth

Our Community Focus Family Engagement Officer.

Beth has many years of experience of working with children and families throughout her career. Beth will be based in the school every **Thursday**.

Beth role is to build strong connections between families, schools and the wider community, to support children's learning and wellbeing.

There are many ways that you will see Beth around the school, if you would like to come and speak to her, this could be to discuss your concerns, what you would like to see more in the school and the community.

We will be carrying out coffee mornings, focused groups, reading café, wellbeing walks, 1:1 family support, parent and toddler group, forest school.
