End of Autumn Term Letter - December 2025

Dear Parents,

As we come to the end of a very full and memorable term, I would like to take this opportunity to thank you all for your continued support. It has been such a busy term and it's hard to believe we managed to fit everything in! This term has included our ESTYN inspection, an important milestone for our little school, and I would like to thank you for the support, encouragement and positive messages shared during this time. In addition, we had the permanent appointment of the Headteacher post, and I feel incredibly proud and privileged to continue leading our wonderful school community.

Our calendar has been packed with exciting experiences for the children. The Christmas Concerts were a joy to watch and showcased the children's confidence, talent and teamwork skills. Church visits, Choir Performances, Pantomimes, our festive Christmas Fayre, and the magical Polar Express Day all helped to create lasting memories and brought our school community together in such a special way.

As we look ahead to the new term, our whole-school enquiry will be "How does art change the way we view the world?" We are excited about the creative learning opportunities this will bring and look forward to seeing how the children explore and express their ideas through the expressive arts. I would also like to highlight the importance of improving attendance in the new year. Being in school every day makes a real difference to children's learning, confidence and friendships, and we greatly appreciate your continued support with this.

Finally, I want you to know how incredibly proud I am of your children. They consistently conduct themselves with kindness, care, growing confidence, good manners, and always try their very, very best. They really are an absolute credit to you and to our school. On behalf of my wonderful staff, I would like to wish you and your families a very Merry Christmas and a Happy New Year.

We look forward to welcoming everyone back refreshed and ready for another exciting term on Monday 5th January.
